What is ADRC?

Apex Day Rehabilitation Centre for Elderly (ADRC) is a voluntary welfare organisation (VWO). We provide care and rehabilitation services to the frail and disabled elderly, catering mainly to the underprivileged elderly living around Bukit Merah. As a VWO, Flag Day is an important fund raising event. And through donations from public spirited individual like your good self and organisation, we can serve these elderlies. We also provide respite care for long term care patients.
